**ORDER LIFTING STAY AND ORDER FOR TELEPHONIC STATUS
CONFERENCE**

On January 19, 2018, the Court entered an order for the parties to show cause why the claims should not be dismissed for a failure to prosecute pursuant to Federal Rule of Civil Procedure 41(b). (ECF No. 82.) The parties filed their responses on January 26, 2018. (ECF Nos. 83-84.) The Court has considered the responses and finds that the *inter partes* review of United States Patent 6,771,290 that supported the stay (ECF No. 71) has been resolved. Accordingly, the stay is hereby LIFTED. The parties are ORDERED to appear for a telephonic status conference to be held at a date and time set in a letter to follow.

SO ORDERED, this 3rd day of August, 2018.
